

National Borzoi Rescue Foundation

Report to Midwest Borzoi Club

2017 Year End Report - January 1, 2017 thru December 31, 2017

Total number of borzoi taken into rescue by NBRF in 2017 = 13, all of which were placed in their permanent forever homes by year end.

There are an additional 3 borzoi that are in long term foster care with owner reimbursing all expenses to NBRF while he is in Australia caring for his ailing mother.

Our veterinary expenditures were extremely modest at only \$5,319.56 for the year. We are thankful to several of our fosters who were able to obtain deep veterinary discounts for veterinary care for NBRF rescue borzoi in their care. All borzoi placed by NBRF are spayed/neutered, microchipped, vaccinated, heartworm/4DX tested and are current on all vet care before being placed in permanent homes.

Additional expenditures for the year, which include but is not limited to our toll free number, internet/website, postage, fuel reimbursement for transports, insurance, paypal fees on donations received, and rescue supplies that include collars, leads, tags, microchips, totaled \$6,596.45.

We received \$15,424.82 from the Beverly Taylor Trust Fund in March and are appreciative of the continued dedication by the BTTF Board. We also received \$116.00 from wine sales at Benefit Wines, \$739.82 from Amazon Smile, and \$927.80 from various fundraisers.

As of January 1, 2018, Borzoi Rescue - Northern California (BR-NC), started in 1983 and ran for decades by Jacqueline Gregory and Nancy Joeckel, with help through the years from several other BR-NC Board Members, has closed it's doors and folded into NBRF. BR-NC and NBRF have always worked closely and cooperatively and are working together to make sure this transition goes seamlessly. Please be assured that wherever a borzoi is in need, whether former BR-NC "areas" or the rest of the USA, no borzoi will go without help. NBRF thanks Jacqueline and Nancy for their tireless dedication to borzoi in need and all their help in the transition of records, information and resources.

International 2017 Year End Summary: Total number of borzoi assisted by NBRF-International = 9 with 8 of the 9 actually coming to the USA and one remaining in an adoptive home in Russia after medical needs were met by NBRF-I. Medical expenses, transport, and airfare is very costly for our International efforts, however only funds specifically donated by individuals FOR International Rescue are ever used on International dogs with fundraisers also being done on www.GoFundMe.com.

NBRF-I is currently working with a reputable rescue in China for a large rescue effort of borzoi and the first of the 5 total borzoi that are coming to the USA will be arriving next weekend.

Respectfully submitted,

Liz A. Duncan-Burge, Secretary/Treasurer
